Dear Sir:

Enc. find our 30358 Nat. Bank N.Y. \$1200 – for which send us if possible Silver Dollars dated 1896.

	1000
Nickels	200

We want the new silver dollars to aid in stemming the fake silver tide by stopping some of the falsehoods used by the opposition. Namely that no silver dollars are being coined since passage of Sherman Law and we think new dollars themselves will be pretty good evidence when the silverites question every fact presented and the veracity of everyone.

Yours truly,
